About Innfokidaa Solutions Pvt. Ltd:

IINNFOKIDAA Solutions Pvt. Ltd. is a dynamic, technology-driven startup at the forefront of innovation, specializing in electric vehicle (EV) battery swapping and charging station solutions. The company is committed to revolutionizing the EV infrastructure landscape by developing cutting-edge, sustainable, and efficient solutions to support the rapid adoption of electric mobility.

The **Research & Development (R&D) Department** at IINNFOKIDAA is a hub of innovation and technical excellence, actively working on advanced projects related to EV battery swapping technology and charging stations. These initiatives aim to provide seamless, fast, and cost-effective energy solutions for EV users, reducing downtime and enhancing convenience.

To support its ambitious projects, IINNFOKIDAA invites applications from passionate and skilled professionals, engineers, and research students for various positions. The selection process includes an online application followed by a screening test to identify the most talented and innovative individuals.

Government Support: IINNFOKIDAA Solutions has signed a Memorandum of Understanding (MoU) with government bodies to promote sustainable EV infrastructure. This collaboration has enabled the company to access critical resources, technical guidance, and funding to expand its initiatives. The government partnership underscores the company's commitment to contributing to the nation's vision of a cleaner, greener future through robust EV infrastructure.

With a focus on developing efficient battery swapping systems and state-of-the-art charging stations, IINNFOKIDAA Solutions is paving the way for a sustainable EV ecosystem while creating opportunities for talented individuals to be part of its transformative journey.

Terms & Conditions:

- 1) The selection committee will shortlist candidates through the respective online screening processes.
- 2) An application fee of ₹100 will be charged for each application.
- 3) Applicants for the Research Fellowship must upload their innovative idea (if any) in PDF format via the online portal.
- 4) The decision of the company's committee will be final and binding on all applicants.
- 5) Selected candidates will receive a selection letter via email from the company's official email ID: infokidasociety1997@gmail.com.
